Permanent Relief for Chronic Constipation

Knowledge and Practice of
Correct Daily Habit
the Great Essential

MRS. C. C. ALLEN

Constipation is a condition affecting all classes of all people and can be permanently relieved only by acquiring habits of regularity. The most natural time for the eliminative process is in the morning when both the muscular and nervous systems are relaxed by sleep and rest. When relief does not come readily, it is an excellent plan to take a mild laxative at bedtime. Cathartics and purgatives, that by the violence of their quick action shock and disturb the system, should not be employed.

An effective laxative remedy that is very dependable, and which does not gripe or otherwise disturb the organs involved, is found in a combination of simple laxative herbs known as Dr. Caldwell's Syrup Pepsin that can be bought at the drug store for fifty cents a bottle.

Mrs. C. C. Allen, 215 Foam St., New Monterey, Calif., wrote to Dr. Caldwell that she "found Dr. Caldwell's Syrup Pepsin just what was needed for constipation and distress of the

stomach after eating. It should be in every household."

Get a bottle of Dr. Caldwell's Syrup Pepsin and keep it in the house to use when occasion arises. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 545 Washington St., Monticello, Ill.
